PRODUCT DESCRIPTION

Drinking ampoules with 375 mg of magnesium, the vitamins C and B6.

Magnesium has various functions in the organism, among others it supports the electrolyte balance and serves the normal muscle function. Magnesium and vitamin C contribute to a reduction of tiredness and fatigue.

Vitamin C serves the normal functioning of the nervous system. It contributes to the normal function of the immune system and the protection of cells from oxidative stress.

Vitamin B6 has also supporting effects in sport. Like vitamin C and magnesium, it supports the normal energy-yielding metabolism as well as the normal functioning of the nervous system. These 3 nutrients also contribute to a reduction of tiredness and fatigue.

ADVANTAGES

- **1 ampoule delivers 375 mg of magnesium (= 100% NRV)**
- **Enriched with vitamin C and B6**
- **Refreshing taste and without calories**

UTILISATION

Intake during physical activities or in everyday life. Take 1 flask per day.

Do not exceed recommendation; keep out of reach of children. Does not substitute for a well balanced and varied diet, which is important for our health as well as a healthy life style.

INGREDIENTS

Water, fructose, orange juice concentrate, magnesium citrate, acidulants (lactic acid, ascorbic acid), magnesium bisglycinate, vitamins (sodium ascorbate, pyridoxine hydrochloride), preservative potassium sorbate, sweeteners (steviol glycosides, sucralose, sodium saccharin), flavour.
