### PRODUCT DESCRIPTION

SPONSER® VEGAN PROTEIN connect protein sources out of quinoa, sunflower seeds, pea and rice to a high-quality vegan protein powder, which delivers a complete amino acids spectrum and more than 20 g protein per portion.

The innovative protein composition of pure vegetable sources provides a balanced amino acids profile. Protein supports growth and maintenance of the muscle mass.

Rich on fibres per portion. The combination protein-dietary fibres makes Vegan Protein to a valuable supplement within the frame of a Low Carb diet.

### ADVANTAGES

- **vegan protein composition without animal components**
- **innovative protein composition based on quinoa, sunflower seeds, pea and rice**
- **gluten free, lactose free**
- **more than 20 g protein per portion**

### UTILISATION

Ideal for protein supplementation, daily 1-2 servings in case of vegan diet, milk protein allergy, lactose intolerance or coeliac disease (gluten intolerance).

In addition to a varied and balanced diet as well as a healthy lifestyle.

### PREPARATION

2 scoops (30 g) + approx. 300 ml of water in a shaker. According to preference, additionally refine with fruits, fruit juice or cocoa powder.

### INGREDIENTS

Protein powder 96% (pea, quinoa, rice, sunflower seeds), vanilla extract with natural vanilla flavour, thickeners (guar seed flour, xanthane), sweetener steviol glycosides.
