PRODUCT DESCRIPTION

Thanks to the caffeine they contain, the handy POWER GUMS by SPONSER® improve the endurance performance and the concentration. One bag of 10 gums contains 59 g of carbohydrates out of glucose. They are enriched with 150 mg of caffeine, which represents the caffeine content of 2-3 cups of coffee. They are suitable for intensive and long training units as a supplement or as alternative to conventional gels or bars.

Additionally enriched with vitamins of the B group:

- Vitamin B2 (43% of the NRV per bag) plays a role in the energy metabolism.
- Pantothenic acid (50% of the NRV) contributes to normal energy-yielding metabolic process.
- Niacin (47% of the NRV) serves the energy and vitality of the whole organism.
- Vitamin B6 (64% of the NRV) supports the protein and energy metabolism.
- Vitamin B12 (24% of the NRV) supports the formation of red blood cells.

*NRV = nutrient reference value

Further enriched with taurine and glucuronolactone.

Also available in the cola variant without caffeine and without vitamins, but with the electrolytes sodium, magnesium, potassium, calcium and chloride.

ADVANTAGES

- **Quick and handy energy source**
- **Caffeine for a better performance**
- **Enriched with vitamins**

UTILISATION

Appropriate as quickly available energy snack during sport.

Contains caffeine. Not recommended for children, pregnant/breastfeeding women. Do not exceed daily recommendation of 26 pcs. As part of a varied and balanced diet and a healthy lifestyle.
