This product is protected by one or more of the following patents: US624908B1, US662122B2, US665006B2, EP112018B1, EP1206168B1. Other patents pending.

REVOLT LED HEADLAMP

IMPORTANT: Follow all instructions carefully and keep for future reference.

BD 1800 BATTERY – RECHARGEABLE LITHIUM ION Charging:

- Charge the battery completely before initial use.
- Battery does not need to be fully discharged prior to being recharged.
- Battery will automatically stop charging when fully charged.

Battery Life: Your battery life will vary depending on:
• "Recovery time" or time when lamp has not been on.
• Temperature.
• Settings used.

• A full charge is needed to achieve maximum burn time!
***ANSI FL-1 Standard:** Runtime to 10% of initial output.
****Reserve:** Additional time the lamp will produce usable light for low intensity activities (measured to 25 Lux @ 4 meters.)

BATTERIES

- Use AAA alkaline, lithium or Black Diamond BD 1800 Li-Ion rechargeable batteries.
- Only the Black Diamond BD 1800 Li-Ion rechargeable battery will charge inside the headlamp.
- Do not mix old and new batteries or different battery types.
- Dispose of the device/batteries in accordance with applicable local laws and regulations.

USE / MODS

STORAGE AND TRANSPORTATION

Remove batteries during storage and transport.

CARE AND MAINTENANCE

Remove dirt from the lens and contacts.

TROUBLESHOOTING

If the headlamp does not work:

- Check that the batteries are oriented correctly and touching the contacts
- Replace the batteries
- Check the contacts and connections for corrosion and clean if necessary
- Work the switch several times

No luck? Contact your Black Diamond Dealer or www.BlackDiamondEquipment.com.

WARNINGS

- A responsible adult must supervise use by children under the age of 12.
- Inspect your headlamp for proper operation prior to using and, in critical situations, carry a second light and sufficient spare batteries

• Do not stare directly into the beam or shine it directly into others' eyes. Intense light can damage your eyes or the eyes of those around you. Black Diamond Equipment is not responsible for the consequences, whether direct, indirect or accidental, or for any other type of damage arising or resulting from the use of its products.

LIMITED WARRANTY

We warrant for three years from purchase date and only to the original retail buyer (Buyer) that our lighting products (Products) are free from defects in material and workmanship. We do not warrant Products against normal wear and tear, improper use, or improper maintenance. If Buyer discovers a covered defect, Buyer should return the Product to the place of purchase. In the event that this is not possible, return the Product to us at the address provided. The Product will be repaired or replaced at our discretion. That is the extent of our liability under this Warranty and, upon expiration of the applicable warranty period, all such liability shall terminate. We reserve the right to require proof of purchase for all warranty claims. This Warranty gives you specific rights, and you may also have other rights which vary from state to state. Except for expressly stated in this Warranty, we shall not be liable for direct, indirect, incidental, or other types of damages arising out of, or resulting from the use of Product. This Warranty is in lieu of all other warranties, express or implied, including, but

not limited to, implied warranties of merchantability or fitness for a particular purpose (some states do not allow the exclusion or limitation of incidental or consequential damages or allow limitations on the duration of an implied warranty, so the above exclusions may not apply to you).

This Black Diamond product meets the requirements of the EMC (electromagnetic compatibility) Directive 2004/108/EC and the RoHS Directive 2011/65/EU.

Declaration of Conformity: The Declaration of Conformity for this product may be viewed at www.blackdiamondequipment.com/DOC

NOTE: This product has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This product generates, uses and can radiate radio frequency energy and, if not used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If the product does cause harmful interference to radio, television, cell phone or avalanche beacon reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Increase the separation between the product and receiver.
- Turn the product off or to a different setting.

Industry Canada ICES-005 Compliance Label: CAN ICES-005 (B)/NMB-005 (B)

décline toute responsabilité quant aux conséquences directes, indirectes ou accidentelles, ou quant à tout autre type de dommage découlant ou résultant de l'utilisation de ses produits.

LIMITES DE GARANTIE

Nous garantissons pour une durée de trois ans à partir de la date d'achat (acheteur) les produits fabriqués par nous, les produits de fabrication. Nous ne garantissons pas les produits contre l'usage normal, l'utilisation incorrecte ou l'entretien inapproprié. Dans le cas où l'acheteur découvrirait un défaut couvert par la garantie, l'acheteur devra renvoyer le Produit à l'adresse d'achat. Si cela n'est pas possible, renvoyez-nous le Produit à l'adresse indiquée. Le Produit sera réparé ou remplacé à notre discrétion. L'étendue de notre responsabilité se limite à la présente Garantie et prend fin au terme de la période de garantie applicable. Nous nous réservons le droit d'exiger une preuve d'achat pour toutes les demandes d'application de la Garantie.
