

Fast transfer of photos and video

SanDisk Extreme PRO® SD™ UHS-II Card Reader/Writer

Pro-level transfer performance in a compact SD™ card reader

Highlights

- Designed for super-fast SD™ UHS-II card transfers¹
- Compact, portable SD card reader, no cables required
- Compatible with UHS-II, backwards-compatible with UHS-I and non-UHS SD cards¹
- Compatible with USB 3.0 and backward-compatible to USB 2.0
- Two-year limited warranty² [US only]

The SanDisk Extreme PRO SD UHS-II Card Reader/Writer is designed to increase workflow efficiency for professional photographers and videographers. Small enough for fieldwork, the compact reader is built to handle the high-performance demands of UHS-II card technology and offers support for fast transfer speeds. With a USB 3.0 interface (and backwards-compatible with USB 2.0), the SanDisk Extreme PRO SD UHS-II reader/writer is your best choice for performance and efficiency when paired with a SD UHS-II memory card¹.
