Grundsätzlich sind Möbel aus dem Naturprodukt Holz empfindlich auf Feuchtigkeitseinwirkung. Unsere Oberflächen sind jedoch für den Einsatz im Bad vorgesehen. Um Schäden wie Aufquellen, Farbveränderung und Pilzbefall zu vermeiden, müssen alle Teile sofort von Spritzwasser getrocknet werden. Mit einem Lappen trocken reiben.

En principe des meubles en bois naturel sont sensibles à l'influence de l'humidité. Nos produits sont cependant adaptés à l'utilisation dans la salle de bain. Pour éviter des dégâts comme le gonflement, changement de coloris ou l'infestation de mycose, toutes les parties doivent être séchées immédiatement de l'eau giclée, ensuite avec un chiffon.

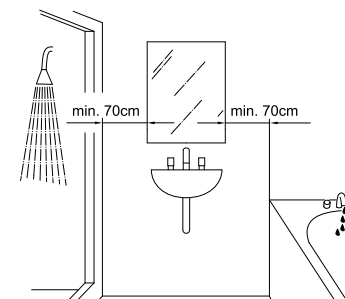

Fondamentalmente i mobili di legno naturale sono sensibili all'influenza d'umidità. Tuttavia le nostre superfici sono previste per l'uso nel bagno. Per evitare dei danni come il sordante, cambiamento di colore ed infezione di fungo, tutti le partite devono essere asciugati dagli schizzi d'acqua e pulite con uno straccio.

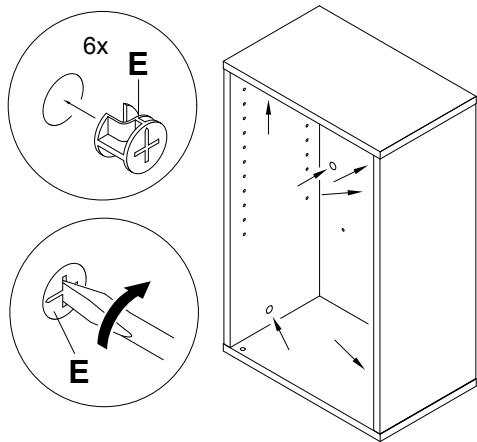

Der Abstand zwischen Hängeschränk und Badewanne / Dusche muss mindestens 70 cm betragen!

La distance entre le meuble à suspendre et la baignoire ou la douche doit mesurer au moins 70 cm !

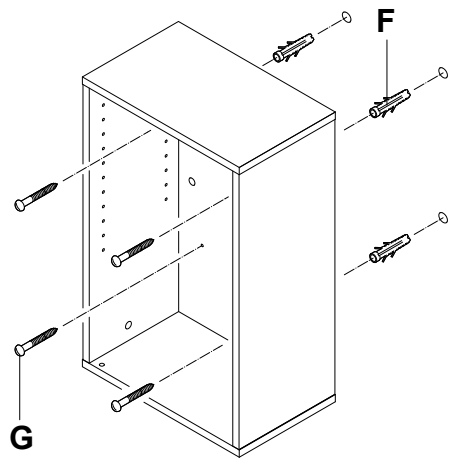

La distanza tra l'armadio e la vasca da bagno/la doccia dev'essere di almeno 70 cm!
