POINTS FOR ATTENTION:

Read carefully the manual completely before assembling or operating this product.

- Assembly of this product should be carried out by an adult.
- Not permitted for use on public roads or highways.
- When an adult is pushing the trike, ensure the child is wearing the seat belt and it is adjusted properly. Never leave your child unattended on this product.
- When a child rides the trike by himself, remove the push bar and the seat belt. Children should always wear an approved safety helmet when riding.
- Max user weight: 25 kg.

WARNING!

This product is not a stroller and does not meet the safety requirements for strollers. Do not use as a means of transport. Do not use on or near the road. Children under 3 years should not be left unsupervised at any time.
