

Philips Performer Active
Vacuum cleaner with bag
with AirflowMax
technology

Energy efficiency class B

AirflowMax technology
TriActive+ nozzle

Full performance

Less energy consumption

The new Philips Performer Active delivers full cleaning performance thanks to the AirflowMax technology and the unique TriActive+ nozzle, engineered for high dust removal.

FC8523/19

Remarkable cleaning results

- Energy efficiency class B
- Revolutionary AirflowMax technology for extreme performance
- New 3-in-1 TriActive+ nozzle picks up coarse and fine dust
- A-class performance on hard floors

Maximum convenience

- 4L dust capacity for longer cleaning
- Reach all corners thanks to the extra long ergonomic grip
- Variable power setting

Clean air filter system

- EPA10 filter system with AirSeal for healthy air
- S-bag Classic Long Performance lasts up to 50% longer

Highlights

Energy efficiency class B

This vacuum cleaner is engineered to achieve full performance with an energy efficiency class B.

4L dust capacity

The specially designed 4L dust chamber allows you to make optimal use of your dust bag, so you can clean for longer.

EPA10 Clean air system

EPA10 filter and AirSeal capture the finest dust before the air is blown out for a dust-free environment and clean, healthy air.

AirflowMax technology

AirflowMax technology maximizes the airflow, allowing the dustbag to unfold uniformly, so you get high performance, even as the bag fills-up!

Power control

The variable power setting allows you to select the optimal level of suction for the different types of surfaces you vacuum.

S-bag Classic Long Performance

This new Philips synthetic dust bag has been developed to provide long lasting vacuum cleaner performance, i.e. a high level of suction power and maximum filtration, up to the moment the dust bag is full and ready for disposal.

TriActive+ nozzle

The TriActive+ nozzle applies 3 cleaning actions in one go: 1) It gently opens the carpet with its specially designed soleplate to remove the dust deep down. 2) It sucks up big bits with its larger opening at the front. 3) It sweeps up the dust and dirt alongside furniture and walls with its two side brushes.

Extra long ergonomic grip

This ergonomically shaped grip is convenient in use. Its extra long design gives you farther reach, so you can easily clean hard to reach places.

Philips Green Logo

Philips Green Products can reduce costs, energy consumption and CO2 emissions. How? They offer a significant environmental improvement in one or more of the Philips Green Focal Areas – Energy efficiency, Packaging, Hazardous substances, Weight, Recycling and disposal and Lifetime reliability.

Specifications

Performance

- Energy efficiency rating: B
- Annual energy consumption: 33.5 kWh
- Carpet cleaning class: D
- Hard floor cleaning class: A
- Dust re-emission class: B
- Sound power level: 79 dB
- Input power (IEC): 750 W
- Airflow (max): 29,3 l/s
- Vacuum (max): 18,9 kPa

Design

- Color: Titanium

Filtration

- Dust capacity: 4 l
- Dust bag type: s-bag Classic Long Performance
- Exhaust filter: EPA 10 filter
- Motor filter: Microfilter
- EPA AirSeal

Usability

- Action radius: 9 m

- Cord length: 6 m
- Power control: Electronic on appliance
- Tube type: Metal 2-piece telescopic tube
- Tube coupling: Conical
- Wheel type: Rubber
- Carrying handle: Front
- Dust bag full indicator

Nozzles and accessories

- Standard nozzle: TriActive+ nozzle
- Additional nozzle: Hard floor nozzle
- Accessories included: Crevice tool, Small nozzle

Weight and dimensions

- Weight of product: 5,2 kg
- Dimensions of product (LxWxH): 447 x 304 x 234 mm

Sustainability

- Packaging: > 90% recycled materials
- User manual: 100% recycled paper
