- BLUE**: Page 100 du Vidéotex (en mode Vidéotex). Canal AUDIO (en mode DVD). Menu principal DVD. affichage du Vidéotex Grand/Normal.
- RED**: Menu DVD (si disponible sur le disque). Choisir la sous-page Vidéotex (en mode Vidéotex). Retour rapide lecture DVD/USB. Afficher / Masquer le menu Télétext (sans le numéro de page). Afficher les réponses du quizz Vidéotex. Avance rapide lecture USB/DVD.

## Installation de la télécommande

- 1 Enlevez le couvercle du compartiment des piles
- 2 Insérez 2 piles AAA avec la polarité correcte (+/-) comme indiqué.
- 3 Remplacez le couvercle.

## Vue frontale

- Volume +/-
- Menu
- Indicateur d'alimentation
- Démarrer la lecture / pause du lecteur DVD/USB
- Ejecter le disque
- Source
- Bouton d'alimentation
- Canal +/-
- Récepteur Infrarouge

## Attacher le support pied

- 1 Placer le téléviseur de haut en bas dans la protection d'emballage fournie pour éviter d'endommager ou de rayer.
- 2 Fixer les pieds les trous correspondants sur l'unité principale et les fixer.

## Connexion à la TV

Plug the Power Cord to the AC Outlet.
